

## **MUSCO at the 7<sup>th</sup> International Exhibition on Minerals, Metals, Metallurgy & Material 2008**

Mahindra Systech's MUSCO -Khopoli division, participated at the 7<sup>th</sup> International Exhibition on Minerals, Metals, Metallurgy & Material 2008. The exhibition was held at the India Expo Centre at Greater Noida. MUSCO exhibited various products across alloy steels and special steels. The exhibition was a perfect opportunity to showcase MUSCO's steel engineering to the global industry & international contingents that was present in huge numbers.

The event witnessed participation by high profile companies from the steel industry such as ABB, Arcelor Mittal, China Shougang International, Danielli Corus, Sail, Tata Steel etc. Over thirty countries had their delegations from across the globe such as Spain, USA, Germany, Israel, Denmark, South Korea and Japan, among others participated. The event was graced by many eminent personalities including Mr. Ram Vilas Paswan, Hon'able Union Minister of Steel, Government of India, Mr Ratan Tata, Chairman TATA Sons Ltd and Mr SK Roongta, Chairman, SAIL.

MUSCO's Steel Division at Khopoli is one of the well-known manufacturers of alloy steel in the country. The current capacity of the plant is 140,000 tonnes per annum with expansion under way to achieve a total target of 240, 000 tonnes per annum.

The steel plant is located at Khopoli on the Mumbai-Pune highway. The production facility is spread over an area of 66.89 hectares (165.29 acres) that includes a plant on 24.95 hectares (61.65 acres) and a residential set-up on 41.94 hectares (103.64 acres).

The Steel Division has a well-defined Quality Policy and Quality Objective. It received the ISO 9001-2000 Certification in the year 2002 from RWTUV.

It is a pioneer and a premier alloy steel producer and also a single source supplier to a large number of multinationals and other important customers in India.

\*Legal Entity-Mahindra Ugin Steel Company Limited
