

Systech Participated at the International Power Transmission Exhibition (IPTEX10)

Mahindra Systech participated in the International Power Transmission Exhibition (IPTEX10) which received an overwhelming response. The event was held from 20th-22nd May,2010 at Goregaon,Mumbai.

IPTEX10 is a Forum for Power transmission majors and associated industries. This was an ideal platform for Systech to showcase its diverse offerings in Auto/Non Auto Parts with D2D capability. The Exhibition was attended by Gear & Transmission companies like Elecon, Bonfiglioli, Premier Energy Transmissions, Magtorq etc and also international players like American Gear Manufacturers Association (AGMA), ATA Gears (Finland), Baldor Transmissions etc.

There were a host of Machinery Suppliers Like – Gibbs Machinery Company (US) an excellent source for all kinds of used Machines, Henninger GmbH, AG – Gear Grinding Machine Specialists, Hoffler Maschinenbau GmbH – Gear Hobbing Machines, IMT MORARA-TACHELLA – Gear Grinding M/c,

There were also organisations dealing with Non Gear Product Offerings – NTN Bearings, Western India Forgings (A major Player in Non Automotive Forgings), Fenner etc.

The customers at the stall were jointly attended by Systech representatives of respective companies- Satish Akole(Rings Division),Hiten Ghelani, Sandeep Panchal, Sameer Wagle, Kaushalya Gaonkar, Venia,Padmanabhan (Business development),Kaushik Damani, Ashish Vasoya, Diptesh Patel(Gears Division),Gabriele Cioni(Metalcastello)
