

Mahindra Systech's "TECH DAY" at Ashok Leyland

Systech, at its growth path, is moving closer to its Key Customers and offering diverse solutions in Auto /Non Auto Parts with D2D capability. In this pursuit, one more successful event of "Technology Day" was conducted at Ashok Leyland Ltd (ALL), Technical Centre at Chennai on 8th May 2010.

From Systech, 12 companies (including Mahindra Logistics) participated and it was attended by Ashok Leyland - Product Development, Manufacturing and Strategic Sourcing teams. Mr. Anuj Kathuria – Special Director at ALL inaugurated the full day event.

The event features were Meeting between Senior Management of both companies for evaluating intense business opportunities and charting out action plans for an enhanced business association, Technical seminars, Case study presentation and Product display. Technology day was attended by more than 300 officials from AL Technical centre, corporate office, Ennore & Hosur plants as well as officials from AL – Nissan JV and AL – John Deere JV. Systech was represented by Mr. Ajit Lele, Mr. Ramarathnam, Mr. Hiten Ghelani and more than 20 team members.
